

Lirot Association presents:

An easily detected laziness

A lazy guy

A lazy employee

Another lazy employee

A lazy dog

An especially lazy dog

A lazy husband

A lazy dad

And an especially happy (...and lazy) seal

But there is laziness which is hard to detect

A lazy eye

A lazy eye

A lazy eye is something you can't see and can lead to loss of vision

For your children's protection, take them to the ophthalmologist for an eye exam

Eye Health Awareness Month

This film is brought to you by the Lirot Association and the Pediatric Ophthalmologist Group
